BERKMAN AND **EMMA GOLDMAN** HELD FOR PLOT

Accused of Inducing Young Men to Violate Registration Law.

BOTH LOCKED IN TOMBS

"Literature" in Office of Anarchist Publications Seized as Evidence.

Emma Goldman and Alexander Berkman were arrested yesterday afternoon charged with conspiracy against the Government in inducing young men to not registering. If convicted they can \$10,000 apiece, and can also be deported for preaching anarchy, both being aliens United States Marshal McCarthy served the warrants on the pair, who eve to be called "the best known anrchists in America," in the little Harlem fice where they have been publishing Mother Earth and the Blast. He said it was the best thing he ever did in his

ng along with a young anarchist helper, W. P. Bales, who had not registered for conscription. It being too late for arraignment they were locked up in the Tombs. They will confront United States Commissioner Hitchcock at 9:45 o'clock this morning, and Berkman and Miss Goldman will probably have to give \$25,000 ball aplece if they want to get out pending trial or Grand Jury action. A lot of "literature" in the Harlem ofof which the police and Department of Justice are now in charge, was seized as evidence, including copies of Mother Earth and the Blast. Signed articles in these magazines figure in the Govern-

Thursday night's meeting in the Forthe two reds now in the Tombs strained oven their own vocabularies of denunciation in raving at President Wilson. Gov. Whitman, the United States and the law, brought the Goldman woman and Berkman to the end of the rope which a tolerant Government had been paying out to them. With a stenographic transcript of those speeches before them yesterday United States Attorney Caffey, Capt. Office of the Department of Justice investigation bureau and Marshal McCarthy dee the Memelves guilty of treasonable tendenties. tion bureau and Marshal McCarthy de-tied it was time to humor the pair and set them the boon of arrest which they pleasure.

The war shouters and their prostitute press, bent on snaring you into the army, tell you that registration has

nothing to do with conscript Without registration conscription is impossible.

Conscription is the abdication of your rights as a citizen. Conscrip-tion is the cemetery where every vestige of your liberty is to be buried. Registration is its undertaker... No man with red blood in his veins can be forced to fight against his will.

But you cannot successfully oppose conscription if you approve of or sub-

mit to registration Registration means placing in the hands of the authorities the despotic power of the machinery of passports

which made darkest Russia what it was before the revolution.

The consistent conscientious objector to human slaughter will neither register nor be conscripted.

Emma's Contribution

The objectionable Goldman article the June Mother Earth is headed "The No Conscription League." In part it

Conscription has now become a fact in this country. It took England fully eighteen months after she engaged in war to impose compulsory military service on her people. It was left to free America to pass a conscription bill six weeks after war was declared. The No Conscription League has The No Conscription League has been formed for the purpose of en-couraging conscientious objectors to affirm their liberty of conscience and affirm their liberty of conscience and to translate their objection to human slaughter by refusing to participate in the killing of their fellow men. The No Conscription League is to be the voice of protest against war and against the coercion of conscientious objectors to participate in the war. Our platform may be summarized as follows:

We oppose conscription because we are internationalists, anti-militarists and opposed to all wars waged by capitalistic Governments. We will fight for what we choose to
